

James Godwin

Hello :)

We take borrowed truths to become knowledgeable. But to be knowledgeable is not to know.

INTP personality. Creative, multi-dimensional, energetic, considerate, curious, explorer and adaptable. Like to deeply experience and explore life and inspire others to do the same. An abstract thinker, enjoy looking at the bigger picture. Enjoy learning and committed to acquiring mastery and/or skills. I have an inventive mind that usually generates more possibilities than I can handle or fund.

www.linkedin.com/in/jamiegodwin/

TECH & DESIGN

I studied both Mechanical Engineering and Graphic Design. Engineering has given me a solid foundation to build a career in **technology**. Art and design being my passion, has enabled me to **understand** the **user**. I've **married the two worlds** in the businesses and products I've built over the years.

Artwork hand painted on iPhone with Procreate App

EMPATHY

The skills to work with our minds, our emotions, and other people are essential but rarely developed. I developed an **emotional Intelligence training** course while at **JUMO**

“

OUR JOB IS TO CONNECT TO PEOPLE,
TO INTERACT WITH THEM IN A WAY
THAT LEAVES THEM BETTER THAN WE
FOUND THEM, MORE ABLE TO GET
WHERE THEY'D LIKE TO GO

SETH GODIN

My UI/UX Timeline

2004

After selling Organic Wire, I wanted to pursue contract programming full time. I had a keen interest to **furthering my programming skills.**

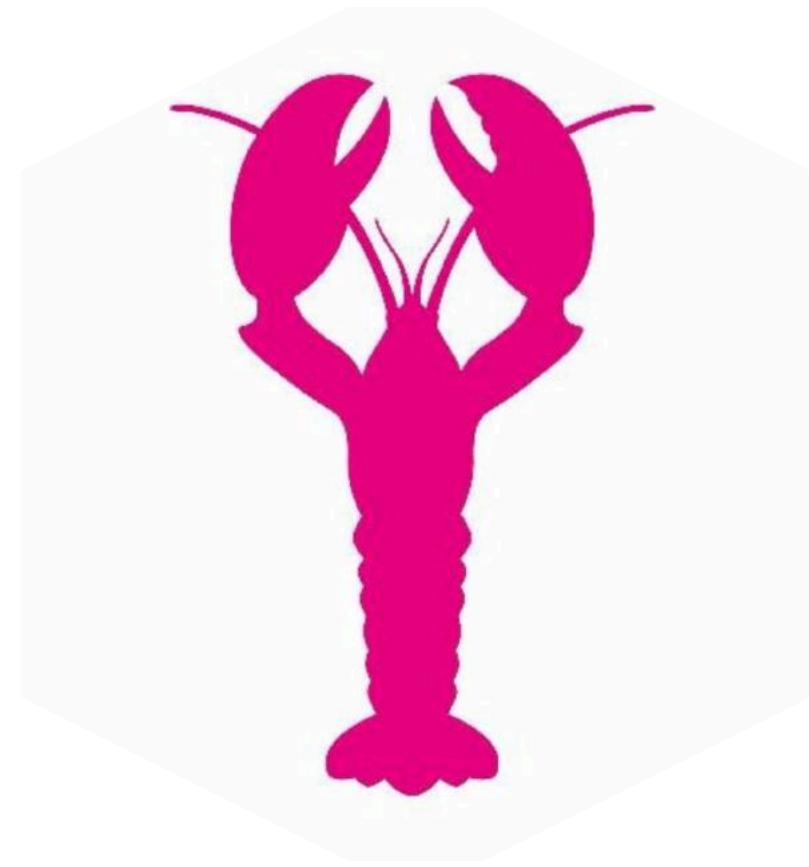

2005

At star120 we built the first USSD and WAP based **mobile wallet** that serviced over 7 million customers to buy and sell airtime. To top up Wallets, we created the first **online debit order processing** service that was adopted by many SME's to manage their debit orders.

2011

At [imb.co](#) our goal was to build a mobile wallet and in doing that we ended up **building a banking system.**

My UI/UX Timeline

2013

Building an **education system** at lobsterink.com to scale. Moving a monolithic application into a micro service architecture. Adopt **user centred design**.

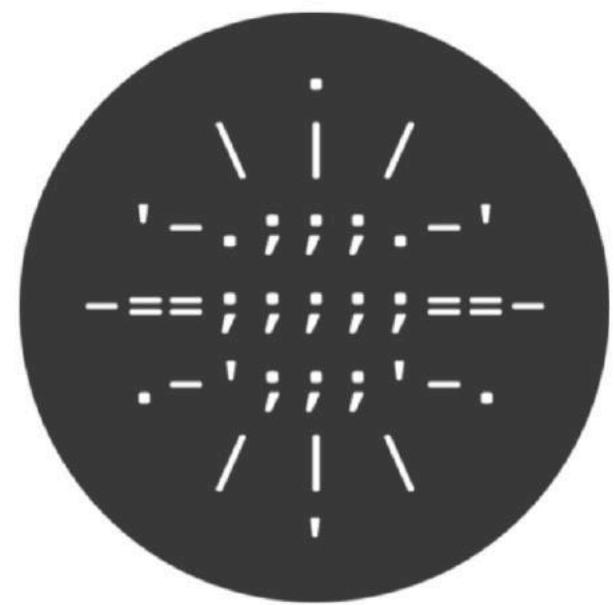

2014

Responsible for building the JUMO.world **money market platform** which integrates with MNO's and financial service providers, bringing financial services to MNO customers.

2016

Responsible for the **Design Thinking** department and oversight of the UI/UX of client projects at stratech.co.za

My UI/UX Timeline

2018

Consulting: madebythem.com.
Helping people **design** and **build**
user friendly web apps.

2018

Senior UI/UX Designer: At
www.privyseal.com. Building new
User Journey and upgrading design
and user functionality.

2019-2021

CXO: At www.swiftvee.com.
Co-founder - Exploring AgriTech

Probe:

1. If you were going to switch catheter providers, how would you start that process?
 - a. What terms would you search for?
 2. What would you expect to see at the navigation links at the top of the screen (About Us, Catheters, Brands, Insurance, Info Center, Contact Us)?
 - a. What would you want to learn about?
 - b. What would you most likely click on?
 - c. How would you order those links?

Observation Point

1. Do they ask for a phone number?
 2. Do they understand the side-scrolling motion of the testimonial area?
 3. Do they understand how the accordion sections work?

Task 2: Research and Select a Sample Product (15 min)

Now I'd like you to use the site to research, find, and select a product to be sent to your house for a sample. For this exercise, I'd like you to select the Bard brand to research Bard catheter products.

Probes

1. How would you start your research process?
 2. Do you feel like you need to do research or do you already know what product you would like to sample?

If the user clicks on the FREE SAMPLE button, see if they expect to mention a particular product on the form.

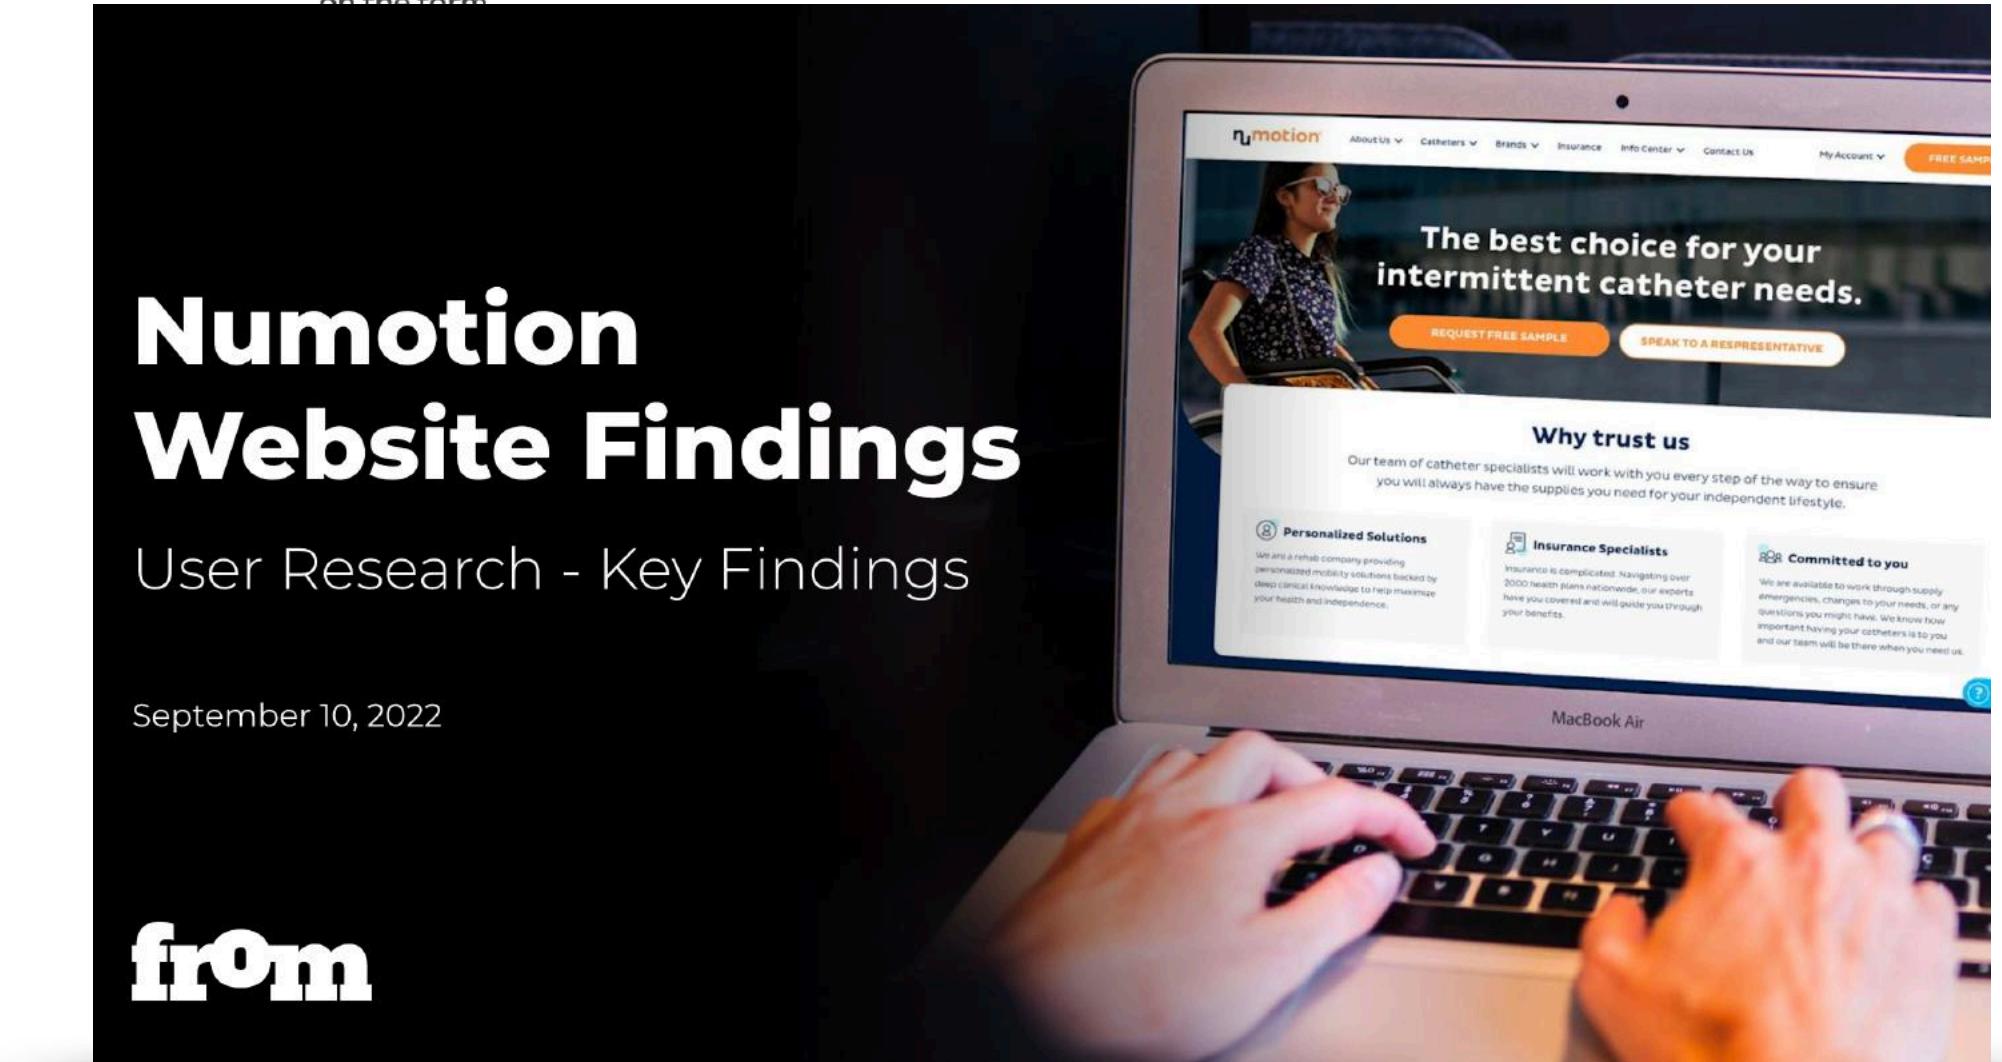

The image shows a woman with long dark hair, wearing sunglasses and a blue floral dress, smiling while sitting in a wheelchair. The background is blurred, suggesting an outdoor setting like a park. Overlaid on the image is the main headline: "The best choice for your intermittent catheter needs." in large white font.

A woman with long brown hair, wearing a blue and red plaid shirt over a black top, is sitting in a wheelchair and smiling while using a laptop. The background shows a bright room with some furniture and plants.

REGISTER FOR AUCTION

The mobile menu is displayed as a vertical sidebar. At the top, there's a header with the brand name 'Mobilemenu'. Below the header are three main navigation items: 'HOME', 'CONTACT US', and 'HOW IT WORKS'. In the center of the sidebar, there's a large, dark rectangular area containing two small, vertically stacked images. The bottom image shows a person in a wheelchair. To the right of this central area, there's a 'CLOSE' button with a small 'X' icon. At the very bottom of the sidebar, there are two buttons: a green 'LOGIN' button and a blue 'CREATE ACCOUNT' button.

A screenshot of a mobile application's help menu. The title 'Mobile help m...' is at the top. Below it is a 'CLOSE' button. The menu includes sections for 'Help and Feedback', 'Visit our help centre', 'Community Forum', 'Latest News', 'Talk to Us', and 'Download our App'. Each section has a brief description and an icon. At the bottom are download links for the App Store and Google Play.

The image shows a mobile application interface for a cattle auction. At the top, it says "mobile auction". Below that is the logo "SWIFT VEE" with a green circular icon containing a white cow head. To the right are icons for a bell and a question mark. A horizontal line separates this from the main content. The main content area has a light gray background. It starts with the text "oon Vee Veiling" and "ong, South Africa". Below that is the date "ts 04 Nov 2020 11:00 AM SAST". There is a large green button with the text "SEE FULL AUCTION DETAILS". Another horizontal line separates this from the next section. The next section is titled "Lot 1: JVZ17433" and includes the text "Live bidding starts Now!" and "MALE 2017/10/22". Below this is a large image of a cow standing in a field. In the bottom right corner of the image, the text "LOT 1" and "JVZ17-433" is overlaid. At the very bottom, there is a green button with the text "REGISTER FOR AUCTION".

The image shows a mobile application interface for sign-up. At the top, there's a navigation bar with a 'E MENU' icon, a user profile icon, and a search icon. Below the navigation is a logo for 'SWIFT VEE' featuring a stylized person icon. To the right of the logo are icons for a bell and a question mark. The main content area features a cartoon illustration of a character with a long neck and a small body, sitting at a desk and looking at a laptop. The laptop screen displays a logo for '1/4' with a stylized orange juice glass. Below the illustration, there's a large green button with white text.

The image shows a mobile application interface titled "Mobile profile". At the top, there's a navigation bar with a menu icon, a user icon, and a search icon. The main area features a cartoon character working on a laptop with a progress bar above it. Below this, there's a section for "Add Personal & Business Details" with a progress bar indicating "Your Account is 25% complete". A list of completed items includes "Account created", "(Email) Verified", "Personal & Business details", and "Uploaded documents". At the bottom, there are fields for "First Name" and "Last Name", both marked as required (*). There's also a "Mobile Number" field and a footer note about terms and conditions.

The image shows the mobile application interface for 'Mobile docs'. At the top, the title 'Mobile docs' is displayed in a large, light blue font. Below it is a logo consisting of a green circle with a white 'V' shape inside, followed by the word 'SWIFT' in a bold black sans-serif font and 'VEE' in a larger, stylized green font. To the right of the logo are three icons: a bell, a question mark, and a user profile. A horizontal line separates this header from the main content area. The main content area features a large, stylized illustration of a hand holding a pen, pointing towards a laptop screen. On the laptop screen, there is a graphic of a hand holding a document with the fraction '3/4' written above it. Below the illustration, the text 'Upload Documentation' is centered. Further down, there is a progress bar with a gold trophy icon on the left, followed by the text 'Your Account is 50% complete'. A list of account status items follows, each with a green checkmark or a green circle containing a white dot. The items are: 'Account created', 'Email Verified', 'Personal & Business details', and 'Uploaded documents'. Another horizontal line separates this section from the bottom. At the bottom, there are two input fields. The first field is labeled 'Upload ID Book' and contains a 'select file' button. The second field is labeled 'Company Registration Docs' and also contains a 'select file' button.

The image shows a mobile application interface for 'Mobile docs c...'. At the top, there's a navigation bar with a menu icon and a search icon. Below the bar is a logo for 'SWIFT VEE' featuring a green circular icon with a white 'V' and a bell icon. The main content area has a light blue background with a large, stylized drawing of a hand holding a pen over a laptop screen displaying an envelope. The text '4/4' is above the laptop, and '66' is written in red to the right. Below this is a section titled 'Verify Email Address' with a progress bar showing 'Your Account is 75% complete'. A list of account status items follows, each with a green checkmark. At the bottom, there's a note about checking email and a 'RESEND LINK' button.

A screenshot of a mobile device displaying a navigation menu. The menu items are "HOME", "CONTACT US", and "LOGOUT". A "CLOSE" button is located in the top right corner of the menu area. Below the menu, there is a dark overlay with a vertical list of links: "HOME", "ABOUT", "CONTACT", "LOGOUT", and "ADMIN PANEL".

The screenshot shows a mobile application interface for an auction. On the left, a vertical navigation menu lists 'HOME', 'USERS', 'AGENCIES', 'LOT-TYPE', and 'AUCTIONS'. The main content area features a large image of a light-colored Brahman bull standing in a green field under a blue sky. Overlaid on the bottom right of the image is a white box containing the text 'LOT 3' and 'JVZ17-433'. Below the image, auction details are displayed: 'Current Bid: -', 'Bid Increment: R1,000', and 'Number of Bids: 0'. At the bottom of the screen is a green button with the text 'REGISTER FOR AUCTION'.

The image shows a screenshot of an email from Swift Vee. At the top is the Swift Vee logo, which consists of a green circular icon with a white 'S' and 'V' shape inside, followed by the word 'SWIFT' in a black sans-serif font and 'VEE' in a larger, bold, green sans-serif font. Below the logo is a large, bold, black title 'Almost There'. Underneath the title is a message in black text: 'Hit the link below to finish setting up your AuctionApp account!'. Below this is a large green button with the text 'Verify email →' in white. Further down, there's another message: 'Don't see a button? Here's [your link](#)'. At the bottom of the snippet, there's a note: 'This link will verify your email address. Once verified you will be able to access your account and bid online.' Below this, there's a message for users who don't recognize the email: 'Don't know what we're talking about? If you weren't expecting this email you can always report any suspicious behavior to our friendly [support team](#)'. The bottom of the image contains the text 'Best cross platform Auction App!' in a bold, black font.

The image shows an email template. At the top, it says "mail account ...". Below that is the AuctionApp logo, which features a green circular icon with a stylized person silhouette and the word "SWIFT" above "VEE". The main heading is "Your AuctionApp account is active". The body text reads: "Hey James Godwin, You're all set up - welcome to your new account. Now it's (even) easier to bid online and live stream and online auction." A large green button with the text "Let's Go →" is centered. Below the button, there's a question about support and the team's name. At the bottom, there's a section titled "Best cross platform Auction App!" with a note about receiving updates and a contact address.

A black and white sheep stands in a metal pen, facing towards the right. The pen is made of vertical bars and is situated in a barn-like setting with a corrugated metal roof and red support beams. In the background, there are other people and some equipment. A green banner at the bottom of the frame displays the text "Lot: 10 Highest bid: R18,000.00 Floor Bidder: 9 Bids" and "BID R20,000".

A screenshot of a mobile application interface for a bidding event. The background shows a large metal-roofed hall with green railings and a banner featuring a horse's head. In the foreground, a large green overlay box contains the text "Lot 10" and "You have WON" with a trophy icon. At the bottom, a white input field displays "BID R20,000". The top status bar shows "Lot: 10 Highest bid: R18,000.00 Your Bidder 4 bids". A small "X" icon is in the top right corner of the green box.

A photograph of a white horse standing in a fenced enclosure. The horse is facing away from the camera, looking towards a wooden fence. In the background, there's a grassy field and a clear blue sky. The photo is displayed on a bidding interface with various controls and a preview of other images.

A screenshot of a horse auction listing on a website. The listing includes the lot number (Lot 10), the item description ('Iron Vlei Walling'), the location ('Witbank - South Africa'), the auction date ('Starts: 04 Nov 2020 11:00 AM AST'), and the top bid information ('Highest bid: R18,000.00' by 'Floor Bidder' with '9 bids'). Below the text is a photograph of a white horse standing in front of a corrugated metal wall.

The image shows a mobile application interface for 'SWIFT VEE'. At the top, there's a navigation bar with a 'MENU' icon, the 'SWIFT VEE' logo, a bell icon for notifications, and a question mark icon for help. Below the header is a cartoon illustration of a hand holding a smartphone. The phone's screen displays a laptop with a 'Forgot Password' message and a red 'X' button. A small alien-like head with a purple hat is peeking out from behind the laptop. The main title 'Forgot password...' is centered at the top in a large, light blue font. Below it is a large green button labeled 'RESET PASSWORD' in white capital letters. At the bottom, there are two links: 'Sign Up or Login'.

I LIKE TO PAINT

MY CREATIVE OUTLET

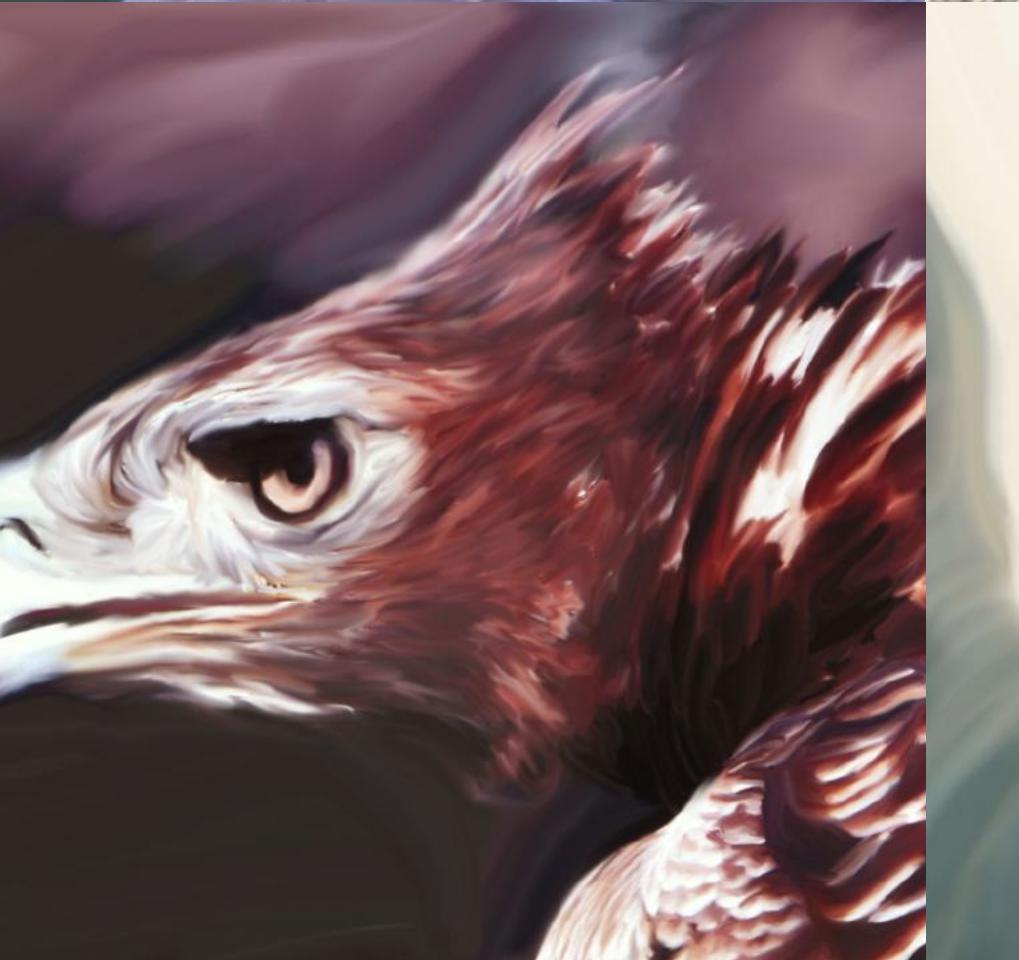

I believe in balance so my technical pursuits are balanced with creative outlets.

Artwork is hand painted on an iPad and iPhone using the Procreate app, an awesome painting tool.
